Paradise Wave

Collected from Natural Wavy haired donors, so this wave will stay permanently. Some frizz and coarseness will be associated with natural wavy hair. Wavy hair that is color processed or lightened is more prone to dryness so it should be cared for using extra oil, and highly moisturizing products. Air dries with a natural beach wave texture.

Can be straightened. Light blonde wavy hair will be more prone to breakage and dryness if constant heat is used on it.

Hair Characteristics

- Available in single drawn and double drawn
- Available in loose silky wave, Deep Wave and Curly
- Comes in Natural Virgin tone and select other base colors
- Various wave patterns available
- Single donor hair, uses multiple donors to achieve double drawn
- Cuticle still in tact and aligned, no silicone coating
- Wear duration varies based on color and care. Hair can be worn for multiple uses. Dark colors hair can last a wear duration of over a year

California Hand Tied

Full bodied wave which is thick from top to bottom. The hair can be brushed to have a looser wave, or activated for a deeper wave. From Natural wavy haired donors, this hair uses multiple donors to eliminate the short strands and consolidate the long strands to create double drawn hair. This means you may need less hair to achieve desired thickness. May have some frizz and dryness in lighter colors associated with naturally wavy hair. Requires the use of more oil and highly hydrating products. Blondes are highly processed and will have more breakage and dryness when using frequent heat on them.

Hair Characteristics

- Double drawn, full from top to bottom
- Comes in a large variety of colors
- Cuticle in tact and aligned, no silicone coating
- Single donor hair, uses multiple donors to create double drawn
- Wear duration varies based on colors. With good care the hair can last up to a year or more (blondes using frequent heat may shorten their wear duration)
- Hair can be toned or darkened but not lightened
- Virgin Natural hair is not available in this line
